

Aktivitetsskolen (AKS)

AKS is an activity daycare before and after school hours.

The daycare is for pupils year 1 through 4, and for pupils with special needs up to year 7.

AKS opens the first of August, and you will find the resources to apply here: <https://www.oslo.kommune.no/skole-og-utdanning/aktivitetsskolen/>

AKS will have activities to support the child's learning and social development through games, physical activities, and educational playtime.

FREE AKS after school

Year 1 and 2 will be offered free AKS after school during 2020/2021.

What is free?

- The pupil may attend AKS every day after school to a maximum of 12 hour pr week. The hours must be evenly distributed throughout the week.
- The Pupil may attend AKS two full days per week in school holidays. (The fall- og winterholiday, Christmas- and easterholiday and summerholiday except July when AKS is closed)
- When the school is closed for planning the pupil may attend AKS for ½ day.

Full time AKS at reduced cost

You may purchase Full time AKS at a reduced price, by paying the difference between part-time and full-time AKS. (Prices shown on the website) This will allow you to use AKS fully every every day, and every day in the school holydays (Except July)

Where are we?

We are situated in the J-building.

The pupils use the same wardrobe as they will in school, and have their own named shelves and hangers.

The pupils are spread in different rooms in the school depending on which activities they attend.

Some rooms are only for AKS, but we also use the classrooms. We have activities in several of the specialized rooms, such as the gymnasium, library and auditoriums.

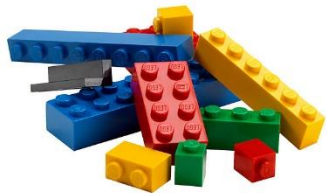

Food

- Mondays the pupils need to bring an extra lunchbox for AKS
- Tuesday – friday we serve simple meals in our kitchen hall.
- Hot meal every friday.
- Fruit offered every day.
- Allergy friendly alternatives where required.

Activities

- Inside:
Lego, games, playroom, hobbyroom, arts and crafts, dollhouse, book-corner, librarytime. **Gymnasium** with dance groups, athletics, sports, dodgeball, volleyball, bandy, basketball, badminton, yoga etc.
- Outside:
Nature group, football, climbing, playground, sleighing, skiing, field trip, stickball, outsidedisco and many other activities.
- We also use Manglerudhallen for ice skating and hockey☺
