 - Parents' Evening (min. once a year)
 - Parent-Teacher Conferences (min. twice a year)
- Casual daily contact
- Meetings regarding social and academic progress when necessary
- Information channels (formal letters, SMS, meetings, letters sent home with students, Website and App)
- Importance of cooperation

What you can Expect from the School

- Highly academically qualified teachers
- Teachers who are tuned in to academic and social development and absences
- Individual accommodations depending on the needs of the child
- Quick contact with the home if there are incidents or worries concerning the child. Both academically and socially.
- Adults who are well versed in creating good relationships.

What we Expect from you

- Do homework with the child
- The child should come to school rested, full and bring food, clothes and daily supplies.
- Let the child experience good rules and routines
- Give the child responsibilities
- Be on our team and have trust in us
- Be in contact if you are unsure about something
- Attend Parent Evenings and Parent-Teacher Conferences.

Absences

- School should be informed about longer periods of illness
- Send application to Head of School for extended leaves of absence
- Standard to have meeting in the case of worrisome absences
 - Exceeding 10%
 - Regular late coming

Grade Resources

- Starting from the school year 2019-2020, the 84 students in the grade are divided into four classes of ca. 21 students in each class
- Professional educator in each class
- Assistant in each class
- Resource Teacher who distribute their effort to all the classes

On the Way to School

- We wish that you walk your children to school
- It's important that the child learns to feel safe on their way to and from school
- Create "Walking School Buses", preferably consisting of children from different classes
- The school encourages that students don't bike alone to school prior to passing the Biking Test at the end of the 4th grade
